

MRTB Practitioners to be Removed from the Register- 2021

In December 2021, the Medical Radiation Technologists Board sent an email to all practitioners who have not held an APC for more than five years. The Board asked the following practitioners if they wished to remain on the public register (per section 144 of the Health Practitioners Competence Assurance Act 2003). The practitioners listed below in red have confirmed they wish to be removed from the register. The practitioners listed in black did not respond.
